**Note:** Castle Combe days marked (\*) are 'Noisy days' with noise level at 105dbA (all other Castle Combe days at 100dbA).  
 Note: 997 GT3 models will be able to get on track on Castle Combe quiet days, due to the way in which the noise test is conducted. The Brands Hatch evening will be run at 102dbA – the same as the past two years, which caused no problems for anybody. All other days will be run with a noise limit of 105dbA.
