 - Dogs may need to be exercised in the middle of the day and this must be done outside the park. Wherever possible such dogs should be removed from, and returned to, the park by car. Identifying this intention to the gatekeeper will avoid embarrassment on return.
 - Outside the hours identified in a) dogs may be exercised in the park within the area leased by HDLCC, identified by signage within the parking areas and not to the east or south of the track.
 - Dogs must be kept on a lead at all times they are outside a motorhome or caravan.

The Club is grateful to Sir Michael Leighton for granting this concession but it must be pointed out that it will be withdrawn if competitors do not abide by the rules a) to d). In the event of an incident involving a dog brought in by a competitor or his support crew, the offender will be required to remove the dog(s) immediately. Should an unleashed dog worry game or deer, the Loton Park Gamekeeper will be within his rights to take appropriate action.

A pass-out will be issued by the gate staff to competitors or service crew wishing to leave the venue for a short time during the event. **NOTE: Re-scrutineering is required on return if cars entered in a one-day or two-day event leave the venue at any time during the running of that event.**
