### Online entry instructions

Go to [www.woolbridge.co.uk](http://www.woolbridge.co.uk)

- Click on the link to the event on the right-hand side of the home screen or in the calendar.
- Complete all the details on the entry form and click on 'Submit'.
- If you have a PayPal account, click on the blue PayPal button on the next screen to make payment. The link is to [treasurer@woolbridge.co.uk](mailto:treasurer@woolbridge.co.uk)
- If you don't have a PayPal account, or don't wish to use it, click on the grey 'Debit & Credit Card' option to use your own debit or credit card. You don't need to have a PayPal log in so you can ignore that.

If you wish to pay by cheque, print the separate 'Manual entry form' on the website, complete it and send it with the cheque.

If you wish to pay by internet banking or BACS, please use the online system as far as 'Submit' or complete the 'Manual entry form' and contact the secretary of the meeting for bank details.

The new online system replaces the previous pdf entry form and internet banking or BACS payment, and is a much more secure joined-up system. It has already been used for our April events at Wiscombe and other events such as car trials. The club's website has been upgraded to the https:// higher security level – look for the padlock symbol.

There are just two areas to note – there are dashes in two of the boxes in the address block; overwrite them if necessary, but don't delete them if you don't need to use those boxes; all the boxes must have something in them. Double drives take care to select the appropriate options, and don't both of you say the other one is paying (!).

You will receive an automated e-mail acknowledgement of receipt of your entry; this does **not** mean your entry has been accepted – a further e-mail will be sent to confirm this.

Priority has to go to entrants in the British Hillclimb and Leaders Championships, then entrants in the other championships. Entries from anyone who is not registered for any of the championships (including Woolbridge Motor Club members) will be held until the closing date to see if any places are available. These non-championship entries should complete the entry form and click on 'Submit' but do not make payment until you are contacted to confirm that a place is available. Everyone else, payment is required with your entry.
